

## The Egg Factory

### Young Creative Entrepreneur Competition

Calling all 18-25 year olds in the Upper Calder Valley!

Do you have an exciting business idea?

Do you want to work for yourself?

Enter our competition with a chance to win 6 months desk space at the Egg Factory. We will support and mentor you during your time with us and at the end of the 6 months help you put on a great launch event!

**To enter** just email your answers to the questions below to [hello@theeggfactory.co](mailto:hello@theeggfactory.co) with Entrepreneur Competition in the title bar. We will acknowledge receipt of your entry by email - so if you don't hear from us please resend. A shortlist will then be drawn up and successful applicants will be invited to an interview. Closing date: August 31st

#### BEFORE YOU START PLEASE READ THE FOLLOWING CAREFULLY!

The winner will have a business idea which is CREATIVE, SUSTAINABLE and ACHIEVABLE. Our definitions are

**CREATIVE** - we have very broad parameters for this one. It doesn't need to be "arty", although it can be. Creative could mean innovative, in other words it could be a new type of product or a service delivered in a new way.

**SUSTAINABLE** - nothing fossil fuel based please! Can you see your business thriving into the future with little or no damage to people and the environment?

**ACHIEVABLE** - sounds boring but really means that "New translation service for Martians" won't be a winner. Aiming high is ok though!

Please describe your business in not more than 100 words, explaining how it fits our criteria of creative, sustainable and achievable. ....

Please tell us a bit about yourself (again, not more than 100 words) .....

Name

Address

Phone

DOB

The Egg Factory is a friendly accessible creative co-working space with a great community vibe. Members work productively in an informal environment and get lots done but there's always a sympathetic ear, a cuppa and a laugh. See our website for more details [www.theeggfactory.co](http://www.theeggfactory.co)
